RUSSIANS STORMING AT GATES OF KHARKOV

1,200 Mile Front From Leningrad to Black Sea Aflame

BY ROGER D. GREENE
Associated Press War Editor

Russia declared today that her armies were storming at the gates of Kharkov, the "Pittsburgh" of the Ukraine, and other Soviet offensives were reported rolling against the Germans in the vital sectors of Leningrad, Novgorod, Staraya Russa and Moscow.

In the Crimea, the Russians acknowledged yielding some ground in the six-day-old battle of Kerch Peninsula but disputed the Hitler high command's claim of decisive victory.

Latest Soviet dispatches said the Russians were now holding a line in good order, inflicting heavy casualties on the Germans.

The Soviet radio reported that Marshal Semenov Timoshenko's Crimean army had smashed the German first-line defenses before Kharkov and were advancing on the city itself, imminently threatening the Key Nazi stronghold.

Simultaneously, a Vichy broadcast said the Russians had launched "massive attacks" faced by violent aerial bombing against the German armies at Staraya Russa and Novgorod, about 120 miles south of Leningrad.

Heavy fighting was also reported raging on the Leningrad front, where the Germans were said to have thrown new six-inch anti-tank guns into action in a vain attempt to stop monster Soviet tanks.

Pressing an apparently major attempt to break out of long-battered Leningrad, Red army troops were said to have crumpled the German lines and captured many important positions in the secondary lines in a continuing advance.

Allies Raid Bases North of Australia

Blows Emphasize Warnings That Peril to Continent Has Not Ended

JAP VESSEL IS SUNK

Allied Headquarters, Australia, May 14—(P)—Lashing out suddenly at the western flank of the Japanese invasion bases north of Australia, Allied bombers last night sank a 3,000-ton Japanese ship at the former Dutch island of Ambonia and damaged two others, General MacArthur's headquarters announced today.

At the same time other Allied air raiders attacked Mabul, New Britain, on the enemy's opposite flank, plastering shipping in the harbor and raining explosives on the 15 Japanese bombers surprised on the airfield runway, a communiqué said.

The new Allied blows emphasized warnings by Australian leaders that the battle of the Coral Sea has not ended the peril facing this continent and that only continued assaults upon the whole vast network of Japanese bases to the northwest and northeast can avert invasion.

The attack on Ambonia, former Dutch naval base, represented a round-trip flight of more than 1,300 miles for Allied raiders attacking from northwestern Australia.

The island, situated between New Guinea and Celebes, is 650 miles northwest of Darwin and about an equal distance southeast of Davao, a Japanese base on the Philippine island of Mindanao.

Ambonia thus is strategically situated as a springboard for a possible Japanese invasion thrust.

In addition to sinking one vessel in Ambonia harbor, the Allied raiders were said to have scored direct hits on one ship of 3,000 tons and another of 2,000 tons. They also set fire to docks.

At Rabaul, frequent target of Allied raids, three of the 15 enemy bombers surprised on the airfield runway blew up and others were damaged if not wholly destroyed, headquarters declared.

Although Japanese fighters were in the air, the communiqué said, they did not engage the Allied planes.

ALUMINUM COMPANY GIVEN ALL-NAVY "E"

Alcoa, Tenn., May 14—(P)—The Aluminum Company of America, manufacturers of metal vital to America's war effort, received today the coveted all-navy "E" pennant for the work of the company's 11,000 employees.

In addresses prepared for delivery at noon ceremonies, Rear Admiral Bryson Bruce, assistant chief of the bureau of ships, who made the presentation; Lieut. Commander James G. Stahlman and Gov. Prentice Cooper of Tennessee paid tribute to the workers, and their efficiency in production.

James made no comment on the offer. The proposed sale price is never disclosed but William S. Engood, Jr., secretary of internal affairs and a member of General State Authority, commented recently for the "shout out of it every penny put in."

Berlin Revises Tokyo Claims

Berlin (From German Broadcasts) May 14—(P)—Rear Admiral Uetsov, German naval spokesman, said today in a weekly talk to the Berlin radio that first reports of the Coral Sea battle had greatly exaggerated Allied losses.

Uetsov cited specifically the reported sinking of the British battleship Warspite, but said it was not as serious as reported in later Japanese reports.

The latest official Japanese review, a review by imperial headquarters in Tokyo two days ago, agreed the Warspite had been aged—whereas the British admiral had said the Warspite had been sunk nor damaged.

Imperial headquarters review only reiterated claims made during the battle of the Coral Sea but widened them to include the sinking of a 20,000-ton liner. In various Japanese reports last week the Warspite was reported either sunk or damaged.

REACTION IN JAP CLAIMS OF VICTORY

American Experts Predict Bombasts May Drive Enemy Generals to Grand-Scale Assault

PLANS MAY BE ALTERED

BY JOHN M. HIGHTOWER

Washington, May 14—(P)—American military experts, intrigued by Tokyo's solemn but hollow claims of a resounding Coral Sea victory, concluded today that such bombast could only drive the Japanese admirals to a grand-scale assault on the approaches to Australia in an effort to save face.

These claims have become so extravagant in the last few days, it was said, that the Japanese may be compelled to try to make good on them soon by a new foray in the Pacific. Hence authorities believe another big battle is in the making—a battle in which the enemy might throw in some of his heaviest fleet units.

Other elements in the present strategic situation also impel the Japanese toward a large-scale naval attack. One is that the enemy's fleet strength has not been vitally impaired by the Coral Sea engagement, disastrous as it was.

If Admiral Yamamoto wants to cut the supply line to Australia, therefore, he would have to call up reinforcements and try again in the same theatre, in some other area leading to the continent or else along the vast island chain guarding the supply line.

If the Japanese admirals do not attempt to follow up the first battle with another attack in which they would hope for a smashing success soon, then they must not only give up any immediate plans for isolating or invading Australia, but must also risk a face-losing withdrawal to the emperor of their wishful thinking about the battle already fought.

Vichy Stand Regarded As Compromise

Reported Ready to Immobilize Warships Now Stationed at Martinique

INFLUENCED BY HITLER

BULLETIN

Washington, May 14—(P)—French warships at Martinique are being immobilized today, it was authoritatively disclosed today. The immobilization is being carried out in co-operation between French and American naval and other officials on the spot. Other important details of a comprehensive solution of the problem of French possessions in the Caribbean are still being discussed, it was said.

Bern, Switzerland, May 14—(P)—The Vichy government was reported today to have advised Washington it was ready to immobilize for the duration of the war French warships now stationed at Martinique, but that it could not hand over to the United States merchant ships berthed there.

This course of action had been suggested yesterday by the Paris press, and the reported Vichy stand was regarded as an attempt to compromise on Martinique said to have been submitted by the United States.

The French warships now stationed at Martinique include the aircraft carrier Bearn and the cruiser Emile Bertin and Jeanne D'Arc.

The Berlin radio broadcast yesterday a Vichy dispatch saying the United States had demanded the immobilization of these warships and had asked that France surrender a number of merchant ships now in Caribbean ports.

This request, the broadcast said, would be opposed by the Vichy government as contrary to the terms of its armistice with Germany.

The London Daily Mail said today that Germany had flatly forbidden Vichy to surrender the merchant ships and had given orders to scuttle them if necessary. The Mail estimated there were 140,000 tons of merchant shipping in Martinique harbor.

Defenders of Burma Still Withdrawing

New Delhi, May 14—(P)—The remnants of Britain's roughly handied defenders of Burma were reported tonight near the gateway of escape over India's Assam border, their withdrawal along the Chindwin river unimpeded by Japanese troops which were sharply checked four days ago near Kalewa.

A communiqué said "there has been no further contact with the enemy" since the May 10 battle at Shweygin, 5 miles below Kalewa and some 140 miles northwest of Mandalay, in which a column of more than 300 Japanese thrusting up the Chindwin by motorboat were thrown back to the south.

The RAF was giving welcome aid to the tired British columns. A communiqué announced that barges used by the Japanese for foraging up the Chindwin had been bombed.

Soldiers' Pay Undetermined

Washington, May 14—(P)—With the house on record as overwhelmingly favoring at least \$50 a month for army privates and apprentice seamen, its military committee called on service heads today for their views on how much of a fighting man's pay should be allotted to his dependents.

Chairman May (D-Ky.) said high-ranking officers of the army, navy and the selective service system would be asked at today's hearing to give their opinion of legislation that would require service men to help the government support their dependents.

May and other members conceded that complications would result from yesterday's house action which raised the proposed \$42 a month scale for privates to \$50, and increased from \$48 to \$54 the rating proposed for first class privates and second class seamen.

War News from Many Fronts

By the Associated Press

Developments on World-wide battlefronts:

Battle of Burma—British military quarters said fierce Indian guerrilla counter-attacks the Japanese and gained a respite from enemy pressure against the Burma gateway to India.

Latest reports said the nearly exhausted British rearguards were now around Kalewa, 40 miles from the Assam frontier of India.

On the Allied left flank, Chinese dispatches indicated that the Japanese had driven nearly 120 miles along the twisting Burma road into China proper.

Another Japanese column striking northward from the Burma road was reported threatening the ancient city of Tengyueh, on the caravan route between China and Burma.

Battle of the Atlantic—The German high command said Nazi submarines preying on Allied ships in the Atlantic had sunk nine vessels totaling 31,000 tons in an attack on an England-bound convoy lasting several days.

North Africa War Front—British headquarters said that British desert fighters dispersed 15 Axis tanks in a sharp fight yesterday and that British artillery put a smaller Axis tank column to flight.

RATIONING ON NATION-WIDE SCALE SEEN

Plans May Be Worked Out to Limit Use of Domestic Transportation Systems

RESERVES DIMINISHING

BULLETIN

Washington, May 14—(P)—An objection by Senator Norris (Ind-Neb) blocked consideration today of a resolution by Senator Downey (D-Calif.) declaring that members would not seek special privileges in the use of rationed gasoline. Senator Barkley of Kentucky, the Democratic leader, led a vigorous fight against consideration of the measure, asserting that it was offered because a "teapot explosion" had been caused by the issuance of X cards to some members of congress entitling them to unlimited access to gasoline.

Washington, May 14—(P)—Petroleum Coordinator Ickes said today that any expansion of gasoline rationing areas generally would depend on whether the government decided to use this means of saving rubber and that there was no need now for broadening restricted areas "from a petroleum point of view."

He told his press conference that the construction of a 1,500-mile pipeline from Texas to the New York-Philadelphia area was at the moment "for the eastern states and the District of Columbia" the rest of the nation by July 1.

Congressional circles were speculating on the possibility of nationwide rationing of transportation and extension of the gasoline rationing, now in effect in 47 eastern states and the District of Columbia.

Asked how long he thought gasoline rationing would last, Ickes responded, "how long do you think the war will last?" and added: "The best we can do is accept the fact we have rationing, and we have to go along with it, period, indefinitely."

Meanwhile, an authoritative source said formal rationing by cards would become effective in (Turn to Page Fifteen)

Milk Dealers Cutting Down On Deliveries

Harrisburg, May 14—(P)—Pennsylvania milk dealers "are making a lot of progress" in voluntarily complying with Office of Defense Transportation orders for reduction of deliveries, Chairman John McKee of the Milk Control Commission declared today.

He expressed the belief, however, that "there will be ultimately some enforcement problem" that would require a regulatory order from the commission.

The ODT has postponed from May 15 to June 1, the effective date of its orders eliminating special deliveries, call backs and more than one delivery a day to the same persons.

Pittsburgh milk deliveries will go on a wartime schedule tomorrow under a plan calling for one trip daily during daylight hours so the milkman can make deliveries and collections at the same time.

The Milk Control Commission held a hearing last week to consider orders designed to make effective the ODT program. McKee said the matter still was under consideration and no rules had been formulated. A problem is whether one order made uniform over wide areas would retard or help the situation.

BILL CONN PATIENT IN ARMY HOSPITAL

New York, May 14—(P)—Private Billy Conn, who broke his left hand and suffered other injuries in a fight with his father-in-law at Pittsburgh Sunday, has been transferred from Fort Wadsworth on Staten Island to the Port Jay hospital on Governor's Island.

"I don't know how long he will be here," said Major Joseph Quittmer, Fort Jay publicity officer.

Non-Essential Driving May Be Halted OPA Official Says

No More Rubber, Synthetic or Natural, Until After the War

WARNING TO HOARDERS

Philadelphia, May 14—(P)—Motors throughout the nation were warned today that all non-essential traffic may be halted through gasoline rationing, to save rubber.

The civilian will get no more rubber, either synthetic or natural, during the war, Dr. C. F. Phillips, head of the OPA's tire rationing division, declared and "it is highly probable that the tires he now has on his car eventually will be requisitioned for use on essential vehicles."

Meanwhile, Rep. James E. Van Zandt (R-Penn.) told gasoline dealers and distributors in Blair county that gasoline rationing would be extended to the western Ohio state line within 10 days to two weeks.

"The only reason western Pennsylvania has received its short-lived exemption from rationing is because of a 135,000-barrel surplus around Oil City and Titusville which cannot be sent east because of transportation difficulties."

"Sightseeing and race track buses" will be barred from the highway "almost immediately," he said.

He told interviewers that a recent survey showed consumers were "hoarding" 1,600,000 tires and added:

"If they don't come in under the present voluntary government purchase plan, we'll find other means of getting them."

WARNING ISSUED ON MUNICIPAL EXPENSES

Harrisburg, May 14—(P)—The Pennsylvania Economy League, Inc., warned taxpayers today against unnecessary wartime increases in municipal and state expenditures, asserting that "once they go up, they do not come down."

The league said a survey of state expenses showed costs rose 97 per cent between 1915 and "continuing to function on its wartime standards, it (the state) had added another 47 percent by 1939."

"The lesson is clear. Municipal expenditures have only a remote connection with defense and war, but they go up just the same. If they are not watched, checked and controlled, they will shoot up in the present crisis," it stated.

Gas-Starved Vacationists Are Looking to Resorts In West

BY JOHN B. LEWIS

New York, May 14—(P)—Gas rationing time is simultaneous with vacation time along the Atlantic seaboard and thousands of vacationers are reported today to be hearkening to the "go west, young men, go west" advice of Horace Greeley.

Automobile club staffs worked overtime locating summer resorts just beyond the "Leon Henderson line" of gas supply demarcation.

Club clerks brushed up on their knowledge of arithmetic in figuring how far motorists could go on their various ration cards, while some aspiring tourists planned to save up their unit tickets for enough gas for a wild dash to inland states not affected by the order.

Traffic is expected to drop from 50 to 60 per cent on New York roads, and therein lies another story about traffic cops.

Those motorists lucky enough to secure X-cards, permitting limited purchases of gasoline, may not expect to have the road to themselves for speeding. There'll be plenty of cops watching.

Old-fashioned horse-drawn "station wagons" and pony carts have already begun to appear at stations of railroads carrying commuters into town from country places.

LEGISLATION SOUGHT FOR EXTRA LEVY

Millions Whose Exemptions Exceed Income Pay May Be Forced To Pay Under New Plan

\$5.00 FEE SUGGESTED

Washington, May 14—(P)—Secretary of the Treasury Morgenthau today advocated a minimum tax of "several dollars" on every one who files an income tax return.

Under existing laws, millions of people whose personal exemptions and other deductions exceed their income pay no tax at all, even though they have to file returns.

Morgenthau said his experts were studying the constitutionality of the proposal, and if they found a legal method of having such a minimum, he would ask congress to enact it.

Later, Randolph Paul, top treasury tax expert, sent word to the press that there was "no question but what such a proposal would be constitutional." Paul said questions of legality could be avoided by calling the special minimum tax an "excise" instead of an "income" tax.

At one point in the press conference in which he revealed the proposal, Morgenthau suggested \$5 as a suitable minimum, and estimated that the treasury could collect \$100,000,000 a year through this method.

Morgenthau said the committee's action yesterday in voting to reduce personal income tax exemptions on a scale differing from his own suggestions were acceptable to him.

He explained that his sudden reversal of position to favor reducing the exemptions came after he saw secret labor department studies indicating that persons in low income groups had a much larger proportion of the purchasing power of the nation than he formerly suspected.

This, he explained, made it seem necessary to remove through extra taxes some of the money that could be used to bid up prices of commodities.

Under the department's procedure this waived the paper's right to continue its second-class privileges.

TOKYO ADMITS LOSS OF A MERCHANT SHIP

Tokyo (From Japanese Broadcasts) May 14—(P)—A large Japanese merchant vessel has been torpedoed and sunk in the eastern part of the South China sea by an enemy submarine but the submarine itself is believed to have been sunk, an official announcement said today.

The war and navy ministries said the merchant ship was under naval escort when attacked on May 8.

More Infantry Units Formed

Washington, May 14—(P)—Secretary of War Stimson announced today the army had ordered formation of four more infantry divisions and the staging this summer of large scale, realistic field maneuvers which will place "emphasis on the offensive."

The divisions, latest of 32 to be added this year to the expanding land forces, will be organized in September. Six others already are in process of formation.

The new units and their posts are: 49th Division, Fort Custer, Michigan; 98th, Camp Breckenridge, Morganfield, Kentucky; 102nd, Camp Maxey, Paris, Texas; and 104th, Camp Adair, Corvallis, Oregon.

All are reserve divisions, heretofore existing only on paper. The nucleus for each will be organized about June 15 and assigned to parent divisions for training until about August 1 when they will be available for their own divisions.

Here's How to Feed Small Plants When Set Out

The value of feeding plants at time of transplanting is discussed in Farm Research, a quarterly bulletin issued by the New York State Agricultural Experiment Station, in which it is stated:

"At transplanting, plants are low in minerals and short of most of their root system. Consequently, the application of a correctly balanced, readily available nutrient solution revives and stimulates the plant, thus enabling it to withstand better the shock of transplanting and to become established quickly, and grow vigorously from the time it is transplanted."

Gardeners should bear this in mind in transplanting young flower and vegetable plants, and here is some information on method of feeding when transplanting:

Vegetables: Where large plants such as cabbage and tomatoes are set out, mix a level tablespoonful of a complete balanced plant food thoroughly with the soil in the bottom of the hole before transplanting. Then proceed as usual, being sure that the plants are watered well.

Every four to six weeks thereafter feed at the rate of one heaping teaspoonful of plant food per square foot of soil surface surrounding the plant, working lightly into the soil.

Flowers: For flowers, which are set much more closely in the bed, and are usually transplanted when

smaller than vegetable plants, it is best to thoroughly prepare the soil for planting, then apply four pounds of complete balanced plant food per 100 square feet (equivalent to one rounding tablespoonful of plant food per square foot) and work this lightly into the top soil. Level, and set out the plants in the usual manner. When buds appear, feed again at the rate of one heaping teaspoonful of plant food to the square foot, work lightly into the soil, and water in well. In feeding, keep plant food away from stalk and foliage.

Large Number At Sale For Opening Day

The warm summer's day and the exceptional values in merchandise brought over 1,500 customers to the Metzger-Wright Company's 46th Anniversary Sale yesterday, the opening day. Every sales person was kept at top-notch speed from the opening of the doors at 8:45 until the close at five o'clock.

Two young girls, Miss Eleanor Klinefelter and Miss Doris Baker, dressed in old-fashioned dresses, gave each of the customers, as she entered, a slip of paper containing a number which, if it corresponded to a number which was posted on the fourth floor of the store, would entitle her to a \$25 war bond. Shortly after noon this was claimed by Miss Josephine Cardamone, of 1210 Scriest street, who was quite thrilled over her good luck.

Besides the war bond, every 26th and 46th cash sale in the morning and every 46th cash sale in the afternoon was given to the customer free.

Among those to receive their purchases free were Mrs. Howard Hulings, 207 Lexington avenue; Dr. Mary Mitchell, 310 West Third avenue; Mrs. Ben White, R. D. 3, Warren; Mrs. Walter Holt, 13 Nesmith street; Mrs. Marcus Naylor, 312 Fourth avenue; Evelyn Samuelson, 118 Canton street; Mrs. David Ralston, 108 Central avenue; Miss Doris Chambers, 601 Market street; Miss Elizabeth Reed, 208 Crescent Park; Mrs. Jennie Boyles and Mrs. Nettie Bell Up, Clarendon; Mrs. Elwood McKown, Sheffield, and Mrs. Mark Summers, Pittsfield.

These gifts ranged from wallpaper at \$10.00 to undies at 46c.

Nurse's Aide Course Will Be Presented

Mrs. Floyd Clinger, chairman of the nurses' committee of the local Red Cross chapter, announces today that a second training course for the Volunteer Nurse's Aide Corps will be given here, the first unit of 20 having completed its study in March.

Because of the demand for trained nurses in the army, navy and marine corps, as well as in defense areas, there is a real need to train volunteers who will be able to relieve trained nurses of some of their simple duties which the short training course makes it possible to perform adequately.

Any woman between the ages of 18 and 50, intelligent and physically fit and able to serve at least 150 hours every year without pay, is eligible for the corps. The 80-hour instruction course will be started as soon as there are 20 registrations. Applications may be made at Red Cross headquarters, 404 Market street, or by telephone, 2926.

QUIET CAMPAIGN NEARING END

One of the quietest primary election campaigns in the history of the state will terminate next Tuesday when voters go to the polls to decide who will represent the respective parties in the November election.

Politicians predict that less than half of Pennsylvania's registered voters will exercise their franchise—one of the rights for which the United States is at war.

These same political leaders expect the rural vote will be light because farmers are busy planting corn and potatoes and with other spring chores while they are faced with a labor shortage. Many of them also are working in industries in the county and nearby towns and have to leave early in the morning for work or else work a night shift.

Tire shortages will cut down both the number of voters driving to the polls and the number of cars available for committee members and precinct workers to transport voters.

These same factors, it is believed, will cut into the urban vote, and in both town and county, men and women are working overtime at their regular jobs or in civilian defense.

Chief offices for which voters will pick party candidates at the primary are: Governor, lieutenant governor, secretary of internal affairs, supreme court justice, superior court judge, congressman from the 20th district including the counties of Venango, Forest, Warren, McKean, Potter, Elk, Cameron and Clarion, state senator from the Warren-Venango district, assemblyman and congressman-at-large.

In spite of the importance of these offices to be filled and the bitterness engendered into the campaign by candidates for governor on both tickets the rank and file of voters remain apathetic as election rapidly draws closer. This attitude, along with the fact that in the eastern part of the state workers will be handicapped by lack of gasoline for transportation make it appear certain that one of the lightest votes in the history of the commonwealth will be recorded on election day next Tuesday.

It is hoped that voters of Warren county will take this opportunity to demonstrate to the rest of the state that we in this community appreciate the democratic way of life which we now enjoy, by getting out in large numbers election day despite the apparent indifferent attitude of citizens in other districts.

An observance of community-wide interest will open Sunday which will mark the beginning of a week of splendid events to commemorate the founding of the First Lutheran church in Warren 100 years ago. In addition to the strenuous program arranged, the congregation has undertaken the entertainment of the Pittsburgh synod of the Lutheran Church May 25 to 28, for its 100th convention. Those in charge have left nothing undone to contribute to the pleasure of the large number of visitors who will be attracted to Warren for the two outstanding church events.

When the curtain rises tonight at 8:30 o'clock at the Woman's Club it will bring to Warren its first stage-glimpse of "The Man Who Came to Dinner," the Broadway and screen success by Kaufman and Hart. The play, which recently appeared as a movie feature at the Library Theatre, has kept thousands of audiences 'n stitches the country over, and every member of the Warren Players' cast of 32 has before him one of the most difficult tasks of his acting years.

Welcome to Mrs. William Stark Tompkins, of Wilkes-Barre, regent of the Pennsylvania Daughters of the American Revolution, honored guest at a luncheon-meeting held at the Y. W. C. A. today by General Joseph Warren Chapter. Mrs. Tompkins has been closely associated with the National D. A. R. "Penny Pines" project in which Warren county has played a very prominent part.

The Operation In Martinique

WASHINGTON IN WARTIME

By JACK STINNETT

WASHINGTON—Although each city or county school board will have to solve its own problem in meeting the all-out wartime summer school program recommended by the U. S. Office of Education, it's a safe bet that never before will the nation's schools have been such a center of community war activity during vacation as this year.

Even those communities where the school systems are on a dead center financially or can't get Federal aid for a summer program of wartime education, the schools can, according to U. S. Education Commissioner John W. Studebaker's wartime commission, do more than a bit in an extra-curricular way.

IN OTHER words, no school should be closed this summer unless some much better meeting house is available to the neighborhood.

The schools, says the commission, should offer their plants AND personnel to the war services for:

(1) Information offices for the OGD, Selective Service, commodity rationing (the sugar rationing program is an example of how important the schools can be along this line), and other government agencies having to do with the war and defense.

(2) The salvage and conservation programs.

(3) The sale of war savings stamps and bonds.

(4) Nursery schools, kindergartens and playgrounds for the children of mothers in war industry.

(5) Entertainment of service men and war workers.

(6) Housing of service men, industrial and agricultural workers.

(7) Red Cross, OGD and other training centers.

(8) Recreation and health training headquarters.

(9) Transportation by school buses of war workers where regulations permit.

(10) Victory garden organizations.

(11) Canning and preserving in school kitchens.

(12) War information and recreational reading in school libraries.

(13) Vocational guidance for young persons seeking war industry jobs or training that will lead to such jobs.

(14) Organization and rehearsal of talent for entertaining service men, war workers and the general public.

(15) Promotion of medical examination and health corrective programs for boys and girls of high school age.

(16) Planning conversion of schools in exposed areas into first aid and hospital centers.

THAT'S a whole of a program, but it's worth giving thought to. Every so many square blocks there is a school—or in rural areas, every so many miles. Those schools are public buildings and as such can now become the center of every community war effort.

That's what the Office of Education wartime commission is out to make them. The commission will take an exceptional financial burden as an excuse—but nothing else.

VINSON even is in favor of seeing that graduates of Annapolis and West Point do nine months to a year in the ranks before they win their stripes or bars and before they earn the privilege of being saluted first.

The house military affairs committee, however, favors granting commissions to specialists in civilian ranks, where it is determined that such special skills are not available otherwise.

Vinson's swing against "quickie" commissions is an important one, but the prime mover in the scrap is Faddis. It was the congressman from Pennsylvania who tied an amendment to the now pretty popular bill for raising the pay of Army and Navy men, providing that no future commissions will be granted to men without military training.

As one member of congress put it—STRICTLY off the record—"Judging by the demands from back home for commissions that many congressmen have had, I can't imagine any one voting against it—unless, of course, it's a record vote."

Automobile accidents go up when the sun goes down.

YEARS AGO IN WARREN

Interesting Items Taken From the Warren Evening Times

In 1922

The splendid sum of \$7,273.00 pledged in one day put the Warren Y. M. C. A. budget campaign over the top with a whirlwind finish yesterday, this being ten dollars in excess of the amount pledged on the first day of the campaign last year.

There was only one lone vendor on the street market this morning and he had a variety of potted plants for sale and also some tomato plants, the latter selling for 35 cents the dozen.

E. C. Cook, recently chosen secretary of the Chamber of Commerce, has succeeded in obtaining the Pennsylvania States Forestry Association convention for Warren. The convention will be held June 29 to July 1st, inclusive.

After having successfully conducted a draying business in Warren for 27 years, Messrs. T. J. and Dan Foley have disposed of their enterprise to J. P. Font and Fadale Brothers, of Pennsylvania avenue, west.

The Rev. Carl Jacobson, of the Swedish Lutheran church, returned Friday morning from a three-day convention of the Lutheran Brotherhood of America, held this week in Toledo, Ohio.

In 1932

Definite assurance that there will be a mammoth historical and Flag Day parade commemorating the hundredth anniversary of the founding of Warren as a borough, June 14th, next, was given last evening, when representatives of about thirty organizations assembled at the Elk Club to discuss proposed arrangements.

Three second places and two third positions were taken by local musicians at the annual music festival at Clarion State Teachers' College. Second place went to the girls' glee club and to Miss Ruth Aubitz, soprano, and Miss Helen Eckardt, violin soloist. Thirds went to Kenneth Merritt, trumpet soloist, and Genevieve Larson, pianist.

The old frame building located on the R. W. Norris property, west of the Times-Mirror building, one of the oldest structures in Warren, has been pulled down and the lot cleared of the rubbish. The building was used for a half century as a blacksmith shop by the late John Keller.

Guest of General Joseph Warren Chapter, Daughters of the American Revolution, here today is Mrs. William Stark Tompkins, of Wilkes-Barre, regent of Pennsylvania D. A. R.

Fleet Owners Have Chance To Get Tires

Owners of fleets of trucks operating at more than a 50-mile radius from Warren have but one more day to take advantage of the chance to make application for special allotment of tires based on the number of wheels on the road, it was stated today by the local rationing board.

The allotment is 10 percent of the number of wheels on the road, or in other words, the owner of 10 trucks with six wheels, making a total of 60 tires on the road, would be entitled to six tires to be held as emergency inventory.

These applications must be in the hands of the local rationing board by May 15. Tires must be purchased at least 30 days after the application has been made.

Unless fleet owners comply with the present ruling there will be no use filing later, as the tires will have to come out of the monthly quotas, it was stated. Only tires which are actually required can be authorized from the quotas, it was pointed out.

FIRST BAPTIST MISSIONARY SOCIETY
The Women's Missionary Society of the First Baptist church held its May meeting at the Snyder home, 712 Pennsylvania avenue, west, Tuesday afternoon. Mrs. C. F. Sill, president, presided. The special musical number opening the program was provided by Rev. J. A. Davidson with Mrs. Davidson with guitar accompaniment by the former. Mrs. Davidson led in the devotional period.

On account of the Northern Baptist convention meeting in Cleveland late in May, the scheduled date of the June meeting was changed to the week of June 1-7, when a picnic will be held at Mrs. LeRoy Stoddard's home, Warren-Jamestown road. The specific date will be announced. A nominating committee to present slate of officers for the ensuing year was named by the president: Mrs. E. H. Donovan, Mrs. William Muthert and Mrs. Edwin Jack.

Highlights from the recent area missionary convention in Titusville were given by several who attended. The talk of the afternoon was given by Mrs. W. E. Lutz on "Thoroughfare to Freedom." To conclude the afternoon the Misses Snyder served refreshments assisted by Mrs. LeRoy Stoddard's group.

Final Program Given For Philomel Club

The last program-meeting for this season was held Wednesday afternoon by Philomel Club members, preceded by a luncheon which complimented new members received during the golden jubilee year. Spring garden flowers centered tables at which new members' places were attractively marked. Afterward, these honored guests were introduced to the full membership.

In opening the afternoon meeting, Mrs. Allie Russell paid tribute to a deceased member, Mrs. Orion Siggins, whose funeral is being held today.

She then made announcement of the concluding event of the 50th anniversary year, the recital to be given at the clubhouse on May 27 by Glenn Drake, Chicago tenor and teacher, and Loretta Downing, young soprano pupil. Philomel members were invited to attend the voice recital to be given at the Conservatory of Music on Saturday night of this week by Mrs. Edward Capp, colored contralto from Kane.

The president offered an interesting resume of the club's history and Mrs. Mary Albrecht, a charter member and program chairman for the day, read an account from a 50-year-old issue of the Warren Mirror of a meeting held at the home of Mrs. Rose Messner, when the membership numbered twelve persons.

Mrs. Albrecht then presented the program in which the following took part: Mrs. Russell, Miss Evelyn Samuelson, Mrs. Harriet Wilkins, Miss Romaine Meacham, Miss Jean Robertson, Mrs. Anna Wilson, Mrs. George Muir, Mrs. Everett Borg, Mrs. J. A. Johnson and Mrs. H. B. Meacham.

Sheffield Sodality Groups Observe Day

Junior and Senior Sodality groups of St. Anthony's church in Sheffield marked World Sodality Day on May 10 with special activities, according to a report received from officers. Sodality and their mothers received Holy Communion, followed by breakfast for 50.

After Irene Richwalsky, senior prefect, had welcomed guests, Mary Jane Richwalsky spoke and Mary Konestoba and Rose Konestoba, retiring and new junior prefects, told of their plans.

A candlelight procession was a highlight of the evening program, when Father M. J. Macken was the speaker. Irene Habzda was formally received into the Sodality and the following officers and committee chairs were installed: Irene Richwalsky, prefect; Mary Lissik, vice prefect; Teresa Fitzgerald, secretary; Ann Orinko, treasurer; Mary Richwalsky, eucharistic committee; Eloise O'Leary, Our Lady's committee; Kathryn Wallon, apostolic committee; Irene Habzda, Catholic Truth; Rita Miley, program and publicity; Ann Tashurek, social life.

For the juniors, these installations took place: Rose Konestoba,

perfect; Dorothy Fitzgerald, vice prefect; Ruth Okerberg, secretary; Frances Orinko, treasurer; Betty Gombola, eucharistic committee; Mary Konestoba, Our Lady's committee; Frances Richwalsky, apostolic and Catholic Truth committees.

The Benediction of the Blessed Sacrament and a reception for all the congregation closed a successful event, for which the following were responsible: Mary Pochatko, Eloise O'Leary and Ann Tashurek. The girls expressed their appreciation to Mrs. N. B. Gaynor, Mrs. Andrew Korshak and Mrs. Mike Moldovan for their assistance with breakfast plans.

COMING AND GOING

Miss Nell G. Sill, of Cleveland, will arrive today to be the guest of her sister, Mrs. C. F. Sill, Third avenue for a few days.

The Misses Rose and Clara Hall have returned to their home in Buffalo, N. Y., after spending the weekend here with their cousin, Mrs. Ella Brown, Poplar street.

Mrs. W. J. Reese, of Lakewood, N. Y., was in Warren yesterday to attend the golden anniversary luncheon at the Philomel Club.

MOTHER'S DAY FOR SODALITY MEMBERS

St. Joseph's Sodality members held a communion breakfast Sunday morning in honor of Mother's Day. There were places for 40 at a Victory table arranged about a May altar of the Blessed Mother and decorated with spring flowers. Other guests of the Sodality besides their mothers were: Father William J. Moore, pastor of the church and director of the Sodality; Father Arthur Leon, assistant pastor, and the Benedictine Sisters, who have been advisors to the group.

Breakfast was prepared and served by the following committee: Rose Scalise, Jane Snerker, Ellen Scrivano, Victoria Chiodo, Theresa Ann Scalise, Wanda Hoskins, Ann Vizza and Ann Lucia.

Everything Set For Production By the Players

There is no carnival or circus in town today nor will Ripley stage any special demonstrations, but the Warren Players will produce on the Woman's Club stage at 8:30 this evening the comedy "The Man Who Came to Dinner," a conglomeration of the craziest personalities, properties and problems ever to be seen here.

An excellent group of Warren Players talent has been assembled to bring to life the eccentric, laughable and loveable people who come at the beck and call of Sheridan Whiteside. To Astrid Cowden, director, has fallen the task of coordinating the antics of these all-but-crazy people. She has performed the job admirably and set the stage for what promises to be a most finished production.

Mrs. Cowden is well known in play circles. She has coached some half-dozen offerings and taken part in many more and, besides, has served the club in the role of president in the past two years.

All of which means the players of Warren and vicinity have something worth waiting for in the bill for tonight and tomorrow night.

COMMITTEE MEETING

A meeting of the Oil Creek Baptist Association program committee is being called for Saturday afternoon in the First Baptist church of Union City to plan for the annual meeting to be held in the First Baptist church of Bradford in September.

Those on the committee from the local church are F. H. Hetrick, moderator; Mrs. C. F. Sill, clerk; Rev. James A. Davidson, chairman of committee on young people's work; E. H. Donovan, chairman of board of trustees.

IS DINNER GUEST

Miss Helen Massa, a bride of the near future, was honored at a dinner party last evening at McCabe's Restaurant, with Miss Helen Cerra and Miss Sally Oriole as hostesses.

The bride-elect was presented with a beautiful gift from the following: Mrs. Michael Dangelo, Mrs. August Cerra, Mrs. Harry Wooster, and the Misses Jaye Massa, Ange and Stella Cerra, Jane Gatto, Mary and Victoria Rich and the hostesses.

GOODWILL CLASS

Members and friends of the Goodwill Bible Class of Grace Methodist church held their annual twelve dinner Tuesday night in the social rooms of the church. Tables presented an attractive appearance in decorations of spring flowers. Mrs. James Palmer was chairman.

The business session was in charge of the president, Mrs. Harry Rickard, with devotions by Mrs. G. S. W. Phillips and Mrs. E. M. Huling presenting the following program: Duet, "God Gave Men Mothers", Ruth Lindquist and Margaret Drivas, accompanied by Jeannette Silze; French horn solos, "Country Gardens" and "Cradle Song", Donald Gibson, accompanied by his sister, Patty Gibson, of Sheffield; reading, "Mother's Day in 1942", Mrs. Mary Morrison; solo, "Songs My Mother Taught Me", Mrs. Drivas, accompanied by Mrs. Silze; flute solos, "Minuet in G" and Brahms' "Lullaby", Eleanor Huling, accompanied by Virginia Johnson; reading, "The Mother They Forgot", Mrs. Lou Keenan; solo, "13th Chapter Corinthians", Mrs. Lindquist, accompanied by Mrs. Silze.

DR. CAMPBELL ON PIANO JUDGING TOUR

Dr. LeRoy B. Campbell, of the Warren Conservatory of Music, left Wednesday morning on an extensive tour in the interests of the National Piano Playing Tournament of America. He was one of the first two judges chosen in Pennsylvania, the total now being five in a list of 30 named to this work in important cities all over the country.

His current work will take him to Fort Wayne, Ind., Denver, Salt Lake City, Ogden, Boise and back to Warren by way of Spokane, points in Montana and North Dakota and in Chicago.

PLAN MEMORIAL SERVICE

State College, May 13 (AP)—Annual memorial services for 2,574 members of the 28th Division who died in France during the World War will be held at the nearby Boalsburg shrine on Sunday.

Major General Edward Martin, who recognized and trained the division, will be the principal speaker. The division was founded by the late Colonel Theodore Boal of Boalsburg shortly after the war.

LARGEST SELECTION OF CHILDREN'S SHOES IN TOWN

UNFAIR TO LOVE

By Watkins
E. Wright

YESTERDAY: The truth is that the reason Kathleen Vaughan rented her barn for a summer theater is that she is stagestruck. But her idea of trying out for a part did not amuse her fiance, Joe Neely, and now Kathleen has awakened on a bright and shiny morning to find Joe picking her house, carrying a placard saying that Kathleen Vaughan is unfair to love!

Chapter Two
Capitulation

"JOSEPH LEE NEELY, you leave here this instant!" Kathleen called. "Do you hear me? Get away from in front of my house!" There was no reply. Joe went right on with his marching. Kathleen was now seething. The stubborn, hard-headed, cock-eyed idiot!

"If you want to make a fool of yourself," she said, "go somewhere else to do it."

Joe stopped, and came to the gate. "It's you I'm making a fool of," he said. "Not myself."

Kathleen gasped. The group of children stopped giggling, and began laughing hilariously. The grown-ups grinned broadly. It was the best free show Linville had ever had. It was as good as a carnival. It was as much fun as a parade.

"There's only one place I'll go," Joe went on, "and that's in your house. We're going to have a talk, and right now."

"We're not!" cried Kathleen. "We've already talked too much."

"And only in circles," said Joe. He again lifted the sign which he had temporarily lowered. "Okay, have it your way. I'll keep this picketing up until you come to your senses."

"What about your job?" Kathleen reminded. "You're due at the Gazette office this minute—and you know it."

"To heck with the job!" said Joe. "What good's a job, if you've lost your girl?"

Encouraging Joe

KATHLEEN looked around for something to throw. If only she had an over-ripe tomato, or could lay her hands on a pot of flowers! If only she—

"Attaboy, Joe!" an onlooker yelled. "It's high time we men put these here, modern females in their place."

"Right," said Joe.

Kathleen couldn't stand any more. "Very well, come on inside," she called. She glared at Joe and the people around him.

Joe stepped closer to Kathleen. "I'm sorry, honey," he said, "if I made you mad."

"I'll tell you in private what I think of you," Kathleen said.

"Now you're talking," said Joe. He opened the gate, and came up the walk. He leaned the sign against one of the porch supports, and smiled at Kathleen. "Morning, honey. You look as cool as the proverbial cucumber in that green dress."

"Well, I'm not cool," Kathleen snapped. She strode into the hall, Joe right behind her. "As a matter of fact, I could wring your neck and glory in the act," Lizzie heard them and came out of the kitchen.

"You-all going to eat breakfast now, Miss Kathleen?" she asked.

"I'm not hungry," said Kathleen.

"Well, I am," said Joe. "I got up early to do my picketing before going to work."

Lizzie grinned at him. She liked Mr. Joe Neely.

Arsenic For Sugar

"AIN'T YO' going to ask Mr. Joe to eat, Miss Kathleen?" she inquired.

"No," said Kathleen. "But since you've got breakfast waiting, you can go ahead and feed him. And

Confirmation
Classes Will
Attend Event

Youngsville, May 13.—At the meeting of the Saron Luther League, to be held Thursday evening at 8 p. m. in the Lutheran church, members of the confirmation classes of 1941 and 1942 are urged to be present and will be the honor guests on this occasion. Hostesses will be Mrs. Ed Abraham and Mrs. Robert Abraham.

COLLEGE BOYS

John Sheffer, of Youngsville, president of the junior class of Houghton College gave the address of welcome to the senior class at the annual Houghton College junior and senior class banquet held in Olean, Warren. Husted, also a member of the Youngsville high alumni and a senior at Houghton, was present at this banquet.

Warren Haupt is spending a week here with his mother Mrs. Edna Haupt between the spring and summer semesters at Penn State College. Homer Preston, of Lander, a student of State College was a recent guest of Mr. and Mrs. Robert Knapp.

BRIEFS

Mothers' Day will be remembered in the program features of the Youngsville Women's Christian Temperance Union at the meeting, to be held Friday of this week at the home of Mrs. Charles Briggs, of Bates street.

"Our men in the combat zones don't want all the credit for successes in battle," Capt. Hewitt T. Wheelless, cited for heroism by President Roosevelt, told Boeing Aircraft workers in Seattle. "If it were not for you fellows here and the splendid equipment you send us, our task would be all but impossible." Workers by thousands sought to shake hands with Wheelless after speech.

SATURDAY—BUDDY POPPY DAY

This year our annual "Buddy Poppy" Day will be Saturday, May 16th. As a remembrance and homage to our soldier dead, of all wars, we ask you to WEAR THIS POPPY on Memorial Day.

Your special donations of a dollar or more to our Poppy fund, in the past, have been more than matched by contributions from the welfare fund of our Post. From this fund we wish to purchase, each year, something needed in the welfare work of our community.

Three years ago, our joint contributions purchased a BABY RESUSCITATOR for the maternity ward of the Warren General Hospital. Doctors and nurses have testified that it has SAVED THE LIVES OF SEVERAL BABIES, and is in almost constant use.

Two years ago we were able to partly REFURNISH THE G. A. R. ROOM AT THE HOSPITAL, and the name plate on the door, which had been removed for non-continuance of support to the room, was replaced. This restoration of the benevolent traditions of the Grand Army of the Republic, was a source of pride to all of us who had a part in it. This year additional furniture and repairs are needed.

Last year A WHEEL CHAIR for the Children's Clinic, and a WHEEL STRETCHER for the emergency ward of the Warren General Hospital, were purchased. These are in constant use.

This year your "Buddy Poppy" donations, matched by our own contributions, will enable us to accomplish these worthy objectives:

1. To purchase something needed for one of Warren's welfare organizations.
2. To carry on our local V. F. W. Relief Work.
3. To supply funds for our War Veterans Orphans Home.
4. To partially underwrite our Veterans Service at the U. S. Administration Bureau.
5. To do something for our fighting men at the front.

We thank you for your donations in the past, and rejoice with you in worthwhile giving and service.

Sincerely yours,
LEO J. SCHULER, Earl R. Small,
Commander of Post 631, V.F.W. Chairman of Relief & Welfare

Kiwanis Club Enjoys Talk On Red Cross

At the weekly luncheon meeting of the Warren Kiwanis Club, held Wednesday noon at the Carver Hotel, members enjoyed a very interesting talk by Donald A. Clark, district representative of the national headquarters of the American Red Cross, who outlined the various phases of the organization's work in time of war.

Two principal functions of the Red Cross, he pointed out, are to act as a liaison organization between men in the armed forces and the people at home, and to provide relief in time of disaster. He emphasized that wherever a soldier, sailor or marine goes, the Red Cross goes there also.

He told of the work of the field directors and the work of the Red Cross with respect to emergency furloughs of soldiers, dependency discharges, contacts with prisoners of war, providing of comforts and the establishment of blood banks. He also outlined the various services which are rendered by the Red Cross in cooperation with civilian defense councils.

Mr. Clark was introduced to the club by Dr. T. E. Colley, first vice president of the Warren county Red Cross chapter.

Guests at the meeting who were introduced by President Harold Baker included Ralph J. Hills, of Erie; Ralph Jimson, of Jamestown; and George Hersch, of Greensburg.

It was announced that two members are leaving town, T. F. Eppley, who has accepted a position in Erie, and Neal Gleason, who has been transferred to Meadville.

Graduates To Be Guests Of Darling Co.

One of the top-ranking events for graduating students of high schools in Chautauque and Warren counties has, for five years, been the annual dance held under the sponsorship of the Darling Co.

The Darling Jewelry Store here has announced that the services of Will Brydon's orchestra have been secured to provide the kind of music demanded by today's youths. The orchestra, comprising thirteen versatile musicians, boasts of a repertoire of the more popular melodies of the day.

Last year's affair is well-remembered by the more than one thousand who attended. Interest already shown among the seniors of the two counties' high schools is evidence that the record in 1941 will be topped considerably.

Mr. Hartman emphasized that the event, as before, will be free to all members of this year's graduating classes of Chautauque and Warren counties.

WITH THE CANDIDATES

DAVIS AT HARRISBURG

Harrisburg, May 14—(P)—U. S. Senator James J. Davis urged his opponent for the Republican gubernatorial nomination, Major General Edward Martin, "with the deepest sincerity" to withdraw "in the interest of a Republican victory next fall."

"He knows, I know and most of the voters of this state know that General Martin is a candidate who could never win in the general election," Davis said yesterday in a statement.

"And since the purpose of the primary is to pick a candidate who

can win in the fall, why does the general not withdraw now and return to the army where he is needed?"

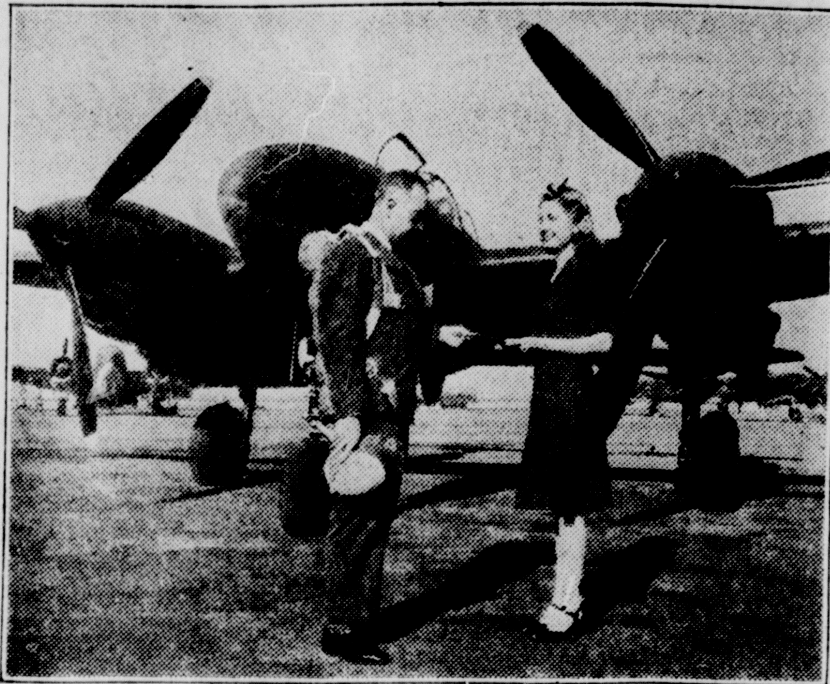

LAWRENCE FOR ROSS

Pittsburgh, May 14—(P)—National Democratic Committeeman David L. Lawrence said last night that "although we have three candidates seeking the party's nomination for governor, we have succeeded in avoiding the type of poison-pen primary which ruined us in 1938."

"When this campaign is over," he added in a radio speech, "what Republicans said about Republicans will serve as a convenient voter's handbook for the fall elections."

Lawrence urged support for the

Model of Plane at Bank

gubernatorial candidacy of Auditor General F. Clair Ross and for his running mates.

MARTIN AT YORK

York, May 14—(P)—An industrial planning board to formulate a long-range program to speed up war production and protect the state against the employment slack which "will descend upon post-war America" was advocated today by Major General Edward Martin, candidate for the Republican gubernatorial nomination.

Martin said the proposed board would act in an advisory capacity to "speed armament production and coordinate Pennsylvania's natural and industrial resources."

BACKING SMITH

Harrisburg, May 14—(P)—Thomas C. Buchanan, public utility commissioner, announcing his support for the gubernatorial candidacy of Judge Ralph H. Smith, added a plea to voters to cast ballots at Tuesday's primary.

In a statement in which he said he favored Smith for the Democratic nomination "because he knows fundamental government," Buchanan asserted that a vote for the backers of candidates instead of the candidates themselves was "the silliest kind of a vote that can be cast."

JUDGE ARIRD HOME
Judge D. U. Arird, who spent the winter months in Florida, has arrived home and was at the court house this morning, greeting his many friends and former associates. The retired jurist appeared hale and hearty after his sojourn in the south.

CANDIDATE HERE
R. B. Naugle, Lansdale, candidate for the Republican nomination for congressman-at-large, was in Warren for a brief visit Wednesday afternoon. He stated that his stops here and in McKean county would complete a campaign which has taken him to every county in the state.

BOAST 100% FLAG
The Warren Fire Department's three stations are added to the number of local establishments, firms and industries sporting the "Minute Man" flag for purchase of United States War Bonds and Stamps. They flew the flag for the first time today, along with its worthy companion, Old Glory.

DECIDE ON PICNIC
The senior class of Warren High School is expected to come to a decision today as to whether or not they will have their picnic at Midway Park, on Chautauqua Lake, as is the usual procedure, this year. Due to transportation difficulties the picnic may not be held with some other kind of entertainment possibly taking its place.

TO ATTEND RALLY
Several members of the Warren County Girl Scout Council camping committee will go to Oil City Friday evening to attend a rally and tell of Camp Birdsall Edey. Included in the group will be Mrs. R. W. Mackay, commissioner; Mrs. F. L. Abendroth, Mrs. A. M. Lopez and Mrs. Althea N. Correll; also Mrs. D. E. Conaway, formerly of Oil City, who is at present program committee chairman for the local council.

What You Buy With WAR BONDS

An interceptor plane is the eagle of the air. It flies high and strikes swiftly. Armed and equipped, these fast planes cost about \$55,000 each. But you and your neighbors and the neighbors in other communities, each chipping in with an \$18.75 War Bond can quickly pay the cost of an interceptor plane.

These planes have a speed of up to 400 miles an hour and a ceiling of about 30,000 feet. We want thousands of them. So join the parade of War Bond buyers every pay day. Add to the quota in your county.

Capulin Mountain National Monument in New Mexico had 35,100 visitors during 1940.

Honey Apple Dumplings take NO sugar

• Here's good news! Whenever you're short of sugar, serve these Honey Apple Dumplings. They're extra-delicious and the honey adds a new flavor to tart apples. Honey in the mellow-rich sauce bakes into a beautiful glaze over flaky crisp crust.

To get every bit of this grand honey flavor you need a delicate pastry. That's why it is important to use a purer all-vegetable shortening like Spry, the flavor-saver.

Honey Apple Dumplings

2 cups sifted flour 1 tablespoon butter
1 1/2 teaspoons baking powder 6 tablespoons honey
1/2 teaspoon salt 1 tablespoon lemon juice
1/2 cup Spry 1/2 cup milk (about)
6 medium apples, cored and pared

Sift flour with baking powder and salt. Cut in Spry fine. Add milk, mixing until soft dough is formed. Roll dough into rectangle, 12 x 18 inches. Cut into 6 squares.

Place an apple in each square. Fill centers with combined butter, honey, lemon juice and salt. Moisten edges of dough with cold water. Bring up four corners of dough to top of apple and press edges firmly together.

Place in 10x10x2-inch Sprycoated pan. For variation, place several dumplings upside down and prick tops. Serve with or without cream.

Sauce

1/2 cup honey 2 tablespoons butter
1 1/2 cups water 2 tablespoons Spry
1/4 teaspoon salt

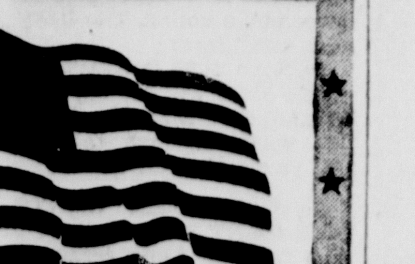

Boil honey, water, butter, Spry and salt together 5 minutes. Pour over apple dumplings and bake in hot oven (400°F.) 30 to 35 minutes.

WITH THE CANDIDATES

DAVIS AT HARRISBURG

Harrisburg, May 14—(P)—U. S. Senator James J. Davis urged his opponent for the Republican gubernatorial nomination, Major General Edward Martin, "with the deepest sincerity" to withdraw "in the interest of a Republican victory next fall."

"He knows, I know and most of the voters of this state know that General Martin is a candidate who could never win in the general election," Davis said yesterday in a statement.

"And since the purpose of the primary is to pick a candidate who

can win in the fall, why does the general not withdraw now and return to the army where he is needed?"

LAWRENCE FOR ROSS

Pittsburgh, May 14—(P)—National Democratic Committeeman David L. Lawrence said last night that "although we have three candidates seeking the party's nomination for governor, we have succeeded in avoiding the type of poison-pen primary which ruined us in 1938."

"When this campaign is over," he added in a radio speech, "what Republicans said about Republicans will serve as a convenient voter's handbook for the fall elections."

Lawrence urged support for the

What You Buy With WAR BONDS

An interceptor plane is the eagle of the air. It flies high and strikes swiftly. Armed and equipped, these fast planes cost about \$55,000 each. But you and your neighbors and the neighbors in other communities, each chipping in with an \$18.75 War Bond can quickly pay the cost of an interceptor plane.

These planes have a speed of up to 400 miles an hour and a ceiling of about 30,000 feet. We want thousands of them. So join the parade of War Bond buyers every pay day. Add to the quota in your county.

Honey Apple Dumplings take NO sugar

Here's good news! Whenever you're short of sugar, serve these Honey Apple Dumplings. They're extra-delicious and the honey adds a new flavor to tart apples. Honey in the mellow-rich sauce bakes into a beautiful glaze over flaky crisp crust.

To get every bit of this grand honey flavor you need a delicate pastry. That's why it is important to use a purer all-vegetable shortening like Spry, the flavor-saver.

Honey Apple Dumplings
2 cups sifted flour
1 1/2 teaspoons baking powder
3/4 teaspoon salt
3/4 cup Spry
3/4 cup milk (about)
6 medium apples
cored and pared
1 tablespoon butter
6 tablespoons honey
1 tablespoon lemon juice
1/4 teaspoon salt

Sift flour with baking powder and salt. Cut in Spry fine. Add milk, mixing until soft dough is formed. Roll dough into rectangle, 12 x 18 inches. Cut into 6 squares.

Place an apple in each square. Fill centers with combined butter, honey, lemon juice and salt. Moisten edges of dough with cold water. Bring up four corners of dough to top of apple and press edges firmly together.

Place in 10x10x2-inch Sprycoated pan. For variation, place several dumplings upside down and prick tops. Serve with or without cream.

Sauce
1/2 cup honey
1 1/2 cups water
2 tablespoons butter
2 tablespoons Spry
1/4 teaspoon salt
Boil honey, water, butter, Spry and salt together 5 minutes. Pour over apple dumplings and bake in hot oven (400°F.) 30 to 35 minutes.

Warren Girl To Be Graduated Saturday From Bucknell Univ.

According to a special dispatch from Bucknell University at Lewisburg, Miss Jean Koebley, daughter of Mr. and Mrs. E. E. Koebley, of Warren, is scheduled for graduation on Saturday of this week, receiving her bachelor of arts degree.

A graduate of the local high school, Miss Koebley has had an active career at Bucknell. She has been cited on the dean's honor roll several times and is a member of the Mortar Board, national honorary for outstanding senior women. A member of the Phi Mu Sorority.

she is also a member of the Bucknell Band.
She is one of a class of 250 Bucknell seniors who will receive their diplomas from President Armand C. Matis as the highlight of the university's 92nd annual commencement. The Hon. Francis B. Sayre, U. S. high commissioner to the Philippines, will deliver the commencement address.

MONEY TO BURN

Philadelphia, May 14—(AP)—"You can't get in here, buddy," a guard at the U. S. mint told firemen yesterday.
"But there's a fire," shouted one of the firemen.
"There's no such thing," came the reply, "but if there was you still couldn't get in."

GROCERS WIN OVER IRVINS, GAIN FINALS

By JUDSON BAILEY
Associated Press Sports Writer
The St. Louis Browns, who have absolutely no money to spend providing homes for transient ball players, have just purchased for cash a well-known and well-travelled combination first and third baseman named Ellsworth T. (Babe) Dahlgren.
The Browns already have a talented first baseman in little George McQuinn and an equally competent third-sacker in Harland Clift and no mirrors are needed to see that the Browns have in mind some sort of a deal.
The chances are the Browns will hold a private auction while the pennant contenders get steamed up to a prosperous pitch. Right now the races in both leagues are becoming feverish.
The Cleveland Indians halted the New York Yankees' seven- (Turn to Page Sixteen)

Zivic Granted Postponement

Pittsburgh, May 14—(P)—Fritz Zivic, former welterweight champion, said today Abe Greene, president of the National Boxing Association, had cleared him of a charge made by the Minnesota Athletic Commission that he had "run out on a bout scheduled in Minneapolis tonight."
Zivic, claiming he had injured a thumb while training, had given notice he would not be able to box Ruben Shank at Minneapolis tonight. Fritzie said that in a telephone conversation with Greene the NBA president was "satisfied" when the Pittsburgh fighter promised he would meet Shank June 4 instead. Meanwhile Zivic is training for his fight with Lew Jenkins, former lightweight titlist, here on May 25.

ABC Officials Mailing 9,459 Prize Checks

Columbus, O., May 14—(P)—American Bowling Congress officials today began mailing checks for 9,459 money winners in the 1942 legging classic, but the toughest job was still to come—getting contestants to cash the vouchers.
A complete list of awards, totaling \$253,895 and ranging from \$5 to \$1,500, will be announced in a week and checks will go into the mails shortly afterward. But most of them won't return for some time because proud winners usually give every friend an opportunity to view the voucher.
Officials said that every year one per cent of the checks are not cashed, despite a plan for returning them to contestants after they have been cancelled. Winners may obtain the drafts for souvenirs by writing ABC offices in Milwaukee, listing the check number and the award.
The 72-day 42nd annual tournament, biggest in ABC history, ended unspectacularly yesterday as eleventh-hour attempts to displace top contestants failed.
The Chicago Budweisers took \$1,500 top money with a score of 3,131 in the five-man team event; Edward Novicki and George Baier of Milwaukee copied doubles laurels with 1,377 for \$600; John Stanley of Cleveland had 756 for high in the singles and \$300, and Tom Moskal of Saginaw, Mich., won \$300 first place money in the all-events with 1,973.
The ABC goes to Buffalo, N. Y., next year and will be limited to 50 days. More than half of the 4,500 teams which will be permitted to enter the 1943 meet already have filed applications.

JOB QUESTIONNAIRES
Harrisburg, May 14—(P)—State Selective Service headquarters plans to mail occupational questionnaires not later than May 27 to Pennsylvanians who registered in the first and second enrollments.
Col. B. F. Evans, acting director, urged registrants to give careful thought to their skills, experience and aptitudes since "the government wants to know not only what you are doing now but also what you can or might be able to do."

Irving Crane of Livonia, N. Y., aims to defeat titleholder, Erwin Rudolph, in world championship pocket billiard challenge match in Rochester, May 7-9. Match will be played in six blocks of 150 points.

SUNSET LOOP SESSION IS SET FOR TONIGHT

At seven o'clock promptly this evening, the first meeting in an attempt to organize a Sunset Baseball League for the coming summer will be held in the Times-Mirror editorial rooms.
Players and fans are both well-coming at which time problems and plans for the circuit will be discussed in an effort to iron out some of the wrinkles lying before any kind of a season at all.
It is only asked that those attending the get-together this evening be willing to sacrifice a small portion of their time in the near future to improve the infield on Russell Field and also be willing to aid in any way to arrive at a satisfactory setup whereby baseball may be ushered back into town.
Those planning to attend the session are asked once again to be prompt, to make an effort to be on hand before seven o'clock, so that the meeting may be called promptly and business disposed of without unnecessary delay.

Record Made By Jim Tobin With Homers

By BILL KING
Boston, May 14—(P)—Now that Jim Tobin, the Boston Braves' knuckleball artist, has broken into the record book as the first major league pitcher in history to hit three consecutive home runs in one game, he threatens to set another new hurler's slugging mark to insure domestic tranquility.
"You know Ernie Lombardi not only is our Oakland, Cal., neighbor in the off-season but he also is boarding with us just now. And I have to get just as many homers as he does to have any peace at home," the good-natured Tobin explained after he had banged out his fourth circuit drive in his last five trips to the plate and his fifth of the season.

The general consensus by this time seems to be that no one is "sicker" about the "kitchen clouting party" episode than Jimmy Smith, unless by chance it's Son-in-law Billy Conn... How would you like to toss a punch that would cost \$125,000? ... Wonder what it would have cost Smith had the punch landed anywhere other than on top of his head? ... PONY League baseball... Best definition of it is... A lot of laughs, a lot of thrills, and a lot of runs, for the most part... Where else, in a single game? ... Well, that's exactly what occurred in the Bradford-Jamestown shindig Tuesday night in Bradford, Pa. The Falcons abandoned no less than 20 players, the Bees forgot 11 of them, as the New Yorkers won an 8-4 verdict... Maybe a big squad in spring training is the new secret to success in baseball... Anyhow, at the end of ten games, the Olean Oilers, who had 85 candidates down in the southland, were atop the PONY circuit with eight victories against a pair of defeats... Oil City had won three in a row up to yesterday in the Penn State Association to put themselves already a game and a half ahead of the rest of the circuit... Track Coach "Heinie" Kolpen, of WHS, was telling us the other day that the 25 candidates for track in our two cents worth, we mentioned that it was too bad transportation difficulties squelched the local program, whereupon Kolpen said they could have run postal meets with other schools, but the idea sounds as silly to us as it did to him in refusing to do so...

UNCLE EF

A p p a r e n t l y there are still a lot of people who need to be snapped out of the "they" state of mind in their war thinking and acting. You've probably heard some of them saying "they are doing this—wrong, they are making the gas shortage out worse than it is—they, they." It doesn't seem to me there's room for any more spectators in this war. It'll have to be a "We" war, if we're to win.

HERE'S A PINCHER MOVEMENT WE CAN ALL USE ON THE AXIS!

REGISTER SATURDAY
With Saturday's registration schedule at the borough police department marking the half-way mark in the program to issue permits to bicyclists, it was stated at the police headquarters today that only about half of the cyclists have taken this step, which is a compulsory one. Owners are also warned that past registration permits do not exempt them from registering their vehicles before the first of June.

TO MEET AT CAMP
On Saturday of this week, all adults participating in Girl Scout training will meet at Camp Birdsall Edey at Grunderville for a day of training in emergency outdoor activities, including fire building and cooking. The program will be held rain or shine and will begin at 10 a. m. At 3 p. m. the same day, the Warren County Leaders' Association will hold its regular meeting at camp.

seizing the two key towns and occupying almost the entire coastline facing the Caucasus.

The Germans first captured Kerch in their October offensive in 1941, only to be driven out by the Russians in a surprise sea-borne attack during a blizzard Dec. 30.

A bulletin from the Red army headquarters acknowledged that Russian troops had executed an orderly withdrawal yesterday in the face of numerically superior Axis forces, but gave no indication of the trend of the battle overnight.

"During the night of May 13 on the Kerch peninsula, a fierce battle continued," the Soviet mid-day bulletin said.

On the Khar'kov front, 380 miles north of Kerch, Soviet dispatches said the Russians stormed and overran a series of basic German fortifications, hurling the invaders "far back" and advancing through a steadily widening breach.

The Russians said the German high command flung hastily concentrated reserves into the battle only to have them melt before the Red army assault.

A German aviator captured on the Khar'kov front was quoted as saying that Hitler's high command had made all preparations for a lightning withdrawal from the city.

Recent Stockholm dispatches said 500,000 German troops were massed in the Khar'kov sector and described the city as the new field headquarters of Field Marshal Gen. Fedor Von Bock under Hitler's revision of commands.

In the Crimea campaign, a Soviet communiqué declared the Russians were inflicting bloody losses on the Germans.

Moscow officials declared flatly that the German high command claim to victory along with the capture of 40,000 Soviet prisoners was "nothing but a lie."

The Russians said 43 Nazi planes were destroyed Tuesday, making a three-day toll of 145.

HOTEL OWNER HELD IN JEWELRY THEFT

Ebensburg, May 14.—(P)—Lawrence A. Stubler, 41, Altoona hotel proprietor, was held today under \$1,500 bail for grand jury action on a charge of receiving \$3,000 worth of jewelry stolen from the Shomberg jewelry store, State College, Feb. 13, 1941.

Justice of the Peace Charles P. Rowland held Stubler on an information filed by State Police Sgt. R. Richardson of Rockview barracks, charging that Stubler received the jewelry from Edgar A. Swartz and William L. Kelley, both of Altoona, who are under sentence for the theft.

ST. LAWRENCE SUB TALLY MAY BE THREE

Levis, Quebec, May 14.—(P)—A German submarine which sank two freighters in the St. Lawrence river early this week was said today to have trailed one of them for six miles before launching a torpedo and survivors suggested that a third vessel might have been sunk.

As 31 survivors of one of the torpedoed ships passed through here this morning enroute to Montreal, the captain and a gunner said that, while they had no official confirmation, they believed it likely the submarine had sunk a third ship.

The captain said one of his crew died of exposure and 11 others were missing and "can still be alive only through a miracle."

Burgess R. W. Steber was elected as permanent chairman of the group at last evening's meeting. Other officers are: Forrest W. Waite, vice chairman; P. C. Osterger, secretary, and D. W. Lewis, treasurer.

The first group to be given a send-off by the newly organized committee is that which will leave Monday, May 25. The committee is already at work arranging for a band to be at the station and other details of the farewell are being planned.

SELECTREES TO BE FETED BY LOCAL GROUP

Each month a committee of three is to be named to provide music for the departure of the men. These committees will be rotated among the various groups which are represented on the general committee.

The Pacific northwest, probably June 1, when the 50 per cent curtailment order for deliveries becomes effective in Oregon and Washington.

As easterners formed long lines around registration places for the third day to obtain ration cards that expire June 30, Senator Alken (R-Vt.) said he believed that before that date arrived plans would have been worked out to limit the use of domestic transportation systems.

He predicted that government control of the movement of all products carried by rail and water would be reflected in the rationing of gasoline on a nationwide basis, a development Senator Downey (D-Calif.) predicted would come in any event.

Fine Concert Is Presented By Dragon Band

Increasing need for new concert facilities in Warren, a suitable auditorium and sizeable stage, was again emphasized Wednesday evening when Director Harry A. Summers presented his instrumental students from Beatty and the high school in a delightful "thank you" concert.

It was given in the high school auditorium before a good-sized and very enthusiastic audience. Particularly in the early part of the program was the stage need apparent, when every inch of the stage was filled with Dragon Concert Band members, allowing little opportunity for proper groupings and with chairs extending out into the wings.

Opening with "The Star Spangled Banner", the program went smoothly through two groups by the band, interspersed with a clarinet solo by Ruth Simonsen, with Miss Adelaide Swanson at the piano. Outstanding for many was the familiar "American Patrol" by Meacham, a medley which gave every section a chance to show its wares.

Mr. Summers expressed briefly appreciation of the audience's response and invited all to attend the outdoor concert at Beatty school lawn June 2, when some unusual features will be presented and senior awards will be made.

The next two ensemble groups were played by the Beatty School Orchestra, composed entirely of pupils from Beatty and grade schools. One of these selections, Franz Lehár's "Merry Widow Waltz", was given in unison by the string section with fine effect. The novelty number for this age-group was a flute trio composed of Nema Glassman, Helen Claire Hulings and David Leidig, with Mr. Summers at the piano.

In conclusion, the director presented the Warren High School Concert Orchestra in two groups, ending with a finished performance of the first movement of Haydn's D Major Symphony. Between the two, Patty Smith was heard in a violin solo.

PLAN POPPY SALE

At the tureen dinner meeting of the American Legion Auxiliary, held Tuesday with Mrs. James Lucas, plans were made for the Poppy Memorial Day sale to be held May 23rd. Posters for this event have been made by the pupils of the grade school. The Auxiliary will give awards for these and all will be displayed. Poster Judges are Miss Augusta Johnson, Mrs. George Schmidt and Mrs. Frank Falconer.

An interesting report was given of the recent county council at which eleven Youngsville members were in attendance.

The ladies of the American Legion Auxiliary are promoting the sending of gifts to local boys in service and will appreciate the phoning by members of the families to Mrs. Carl Mourer giving the latest addresses of the boys in service.

To Rouse Flow Of Liver Bile

Do This Every Morning for 30 Days

Get a bottle of Kruschen's Salt tonight. Start right in tomorrow morning and take as much as will lie on a dime in a glass of water (hot or cold) half an hour before breakfast or in your morning cup of tea or coffee and keep this up for 30 days. Kruschen's taken this way helps relieve such symptoms as sick headaches, bowel sluggishness and so-called bilious indigestion when due to insufficient flow of bile from the gall-bladder. You can get Kruschen's, a famous English formula made in the U. S. A., at any drug store. You must be satisfied or money back.

CONSTITUTION SUFFERERS Note: For an occasional cathartic or laxative, to relieve common constipation, we believe there is nothing better than quick-acting Kruschen in larger doses, if it is according to directions on the bottle.

game winning streak yesterday, 7-2, and moved within a half game of the American League leaders. Lefty Lovill (Chubby) Dean pitched six-hit ball and handcuffed all the world champions except Joe DiMaggio, who hit his sixth and seventh home runs.

The Detroit Tigers continued a bloodthirsty third, just a game and a half from the lead, by whipping Washington, 6-2, on the three hit hurling of Hal Newhouse. The Senators' only scoring came on a two-run homer by Bob Estalella. The victim of the Tigers was Buck Newsome, their former teammate, who had pitched a one-hit act against them previously.

The National League squabbling was about equally furious. Curt Davis, the old righthander of the Brooklyn Dodgers, pitched a two-hit spectacle to turn back the Cincinnati Reds, 4-0. But the Pittsburgh Pirates, who open a three-game series at Brooklyn today, remained 2 1/2 games in the rear by downing the New York Giants, 3-1.

The day's most sensational performance was contributed by big

Jim Tobin of the Boston Braves, who not only pitched five-hit ball to beat the Chicago Cubs, 6-5, but hit three home runs to set a major league record for pitchers.

The Philadelphia Athletics captured their fifth straight victory by a 10-9 count from the Browns and ousted Washington for fifth place in the American League.

The affair at St. Louis was a free-for-all that saw the two teams use ten pitchers and four catchers and make 28 hits and seven errors.

The Chicago White Sox set down the Boston Red Sox, 2-1, in ten innings for their third victory in four games.

The people of France contributed \$700,000 toward the cost of the Statue of Liberty
